### About Us

The first and only Spanish restaurant in Muswell Hill, right on the Broadway, La Lluna brings the best of traditional and modern tapas to North London.

Our freshly made Spanish food is based on premium local and organic ingredients and specialties from Spain, like cheese, jamon and padron peppers. The wide range of charcuterie products and nibbles perfectly matches with a glass of Spanish wine, a jug of fruity sangria or a refreshing cocktail.

La Lluna serves tasty breakfasts with a Spanish twist and fair trade coffee; our mouthwatering tapas menu and original cocktails are available all day long and both change seasonally. The classic tapas like croquetas, patatas bravas or tortilla are joined in the menu by the chef's specials, with influence from Italian, French and other Mediterranean's cuisines. The wine list has a vast choice of reds, whites and sherries from the best Spanish vineyards, to enjoy at the bar with a selection for our tempting snacks.
